

**Community Service** is a group near and dear to many who use their skills and talents to help those in need. Quilts, caps, baby sweaters and blankets are given as needed to local organizations that serve Placer County. Organizations serve local families, including those serving in the military, foster care, children removed from homes due to abuse and teens in resident care facilities. In addition, knitted and crochet caps and shawls are provided to UC Davis Children's Hospital and Sutter Hospitals for cancer patients. The sewing room is full of donated fabrics that are used to create many of these beautiful items. Our Community Service quilts have been donated as far away as Maui, after the devastating wild fire in 2023, and Ukraine, after the start of the Russia/Ukraine war.
